### COVID-19 TELECOMMUTING - AMENDMENT

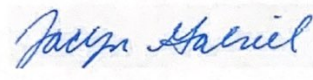

As part of PSEG's business continuity efforts relating to COVID-19, the Company and the Union have agreed to amend the "COVID-19 Telecommuting" letter of agreement dated March 19, 2020, to include the following:

#### 9371 General Clerks 1<sup>st</sup> Class

- Volunteers from each Dispatch office shall be solicited in order of seniority in accordance with the Collective Bargaining Agreement.
- Provided there are volunteers, a minimum of two General Clerks 1<sup>st</sup> Class per Dispatch office shall be assigned to telecommute with the understanding that additional General Clerks 1<sup>st</sup> Class may be assigned based on operating conditions.
- Telecommuting assignments shall be made in two-week increments on a rotational basis. At the conclusion of the two-week assignment, the telecommuting employees will resume work at their assigned Company location and other volunteers will then begin a two-week telecommuting assignment. If there are only one or two volunteers in each Dispatch office, those employee(s) shall telecommute until further notice.
- It is further understood that General Clerks 1<sup>st</sup> Class must report to their assigned Company location when working the 11pm – 7am shift.

All others terms of the original agreement dated March 19, 2020 remain in force.
